

**MEMORANDUM OF AGREEMENT**

**BETWEEN**

**COMMUNITY SOCIAL SERVICES EMPLOYERS' ASSOCIATION ("CSSEA")**

**AND**

**COMMUNITY SOCIAL SERVICES BARGAINING ASSOCIATION ("CSSBA")**

**Re: Supportive Housing - Temporary Market Adjustments (TMAs)**

**Whereas:**

CSSEA and CSSBA have continued to negotiate Low Wage Redress (LWR) adjustments to Collective Agreement Wage Grids and the Parties have substantially achieved comparability in wage rates at the top steps of the Wage Grids in relation to the targeted wage grids in the Health Sector;

Government has continued to be supportive of the LWR initiative in the most recent rounds of provincial bargaining to achieve comparability in wage rates for employees in the Community Social Services Sector and the Health Sector;

Government has recently been informed of some classifications in the supportive housing subsector of CSSEA whose wage grids do not align with the corresponding wage grids in the Health Sector;

Government wishes to support the temporary adjustment of the wage rates of these specific classifications pending a more complete and sustainable solution that could be explored by CSSEA and CSSBA in the next round of bargaining; and

The government has allocated a defined amount of funding to support outcomes consistent with this MOA.

**Therefore, the Parties agree as follows:**

1. Effective the first pay period following September 1, 2024 (the "Effective Date"), the terms of this Memorandum of Agreement (MOA) will take effect.
2. This MOA will only apply to on-site positions/jobs in fully provincially funded supportive housing programs of Employers that provide supportive housing programs funded by BC Housing. Supportive housing is defined as subsidized housing with on-site supports (shelters and housing programs) for single adults, seniors and people with disabilities at risk of or experiencing homelessness. These supports help people find and maintain stable housing. Supportive housing provides a range of on-site, non-clinical supports such as: life skills training, connections to health care, mental health or substance-use services. For clarity this MOA applies only to these provincially funded programs delivered by the attached list of Employers, each of which provides a BC Housing funded supportive housing program, and does not extend to other types of programs such as assisted living, community living, or child and youth residences.

3. This MOA will only apply to the following classifications of employees working in the above programs which have been identified as having wage rates that do not align with the targeted Health Sector classifications:
  - a) Adult, Youth and/or Child Worker – Grid 11;
  - b) Residential Child and Youth Worker – Grid 11;
  - c) Special Services Worker – Grid 11;
  - d) Victim Service Worker – Grid 11;
  - e) Unique positions (comparable to Community Health Advocate, Detox Worker 2, Shelter Support Worker, or Support Worker 2) – Grid 11;
4. For each of the above classifications, employees will receive a Temporary Market Adjustment (TMA) as follows as of the Effective Date:
  - o \$2.64 at Step 1;
  - o \$1.69 at Step 2;
  - o \$1.79 at Step 3; and
  - o \$1.88 at Step 4.
5. For clarification, increment progression to the next Steps on the Wage Grid will continue to be in effect in accordance with the terms of the Collective Agreement (the TMAs are deemed to be an “add to base pay”). Subject to the Municipal Pension Plan (MPP) rules, the parties intend the TMAs to be included in pensionable earnings under the MPP. All other normal deductions from base pay will apply.
6. The TMAs will apply until the expiration of the current 2022 to 2025 collective agreement, after which this Agreement will be extinguished and will be of no further force or effect. For clarity, the TMAs will apply throughout the period of collective bargaining and until the effective date of the renewal collective agreement. At that time, and subject to any new express agreements in writing between CSSEA and CSSBA, all employees will revert to the Collective Agreement Wage Schedule.
