**Ministry of Social Development and Poverty Reduction  
Smithers, BC (On-site)**

**Community Integration Specialist**

**\$66,047.41 - \$74,854.64 annually, plus \$37.64 bi-weekly isolation allowance**

The Community Integration Services Branch is a dedicated and established team of Community Integration Specialists who work closely with frontline support workers, outreach staff and emergency shelter coordinators. This team collaborates with a range of professionals, including Employment and Assistance Workers, community partners and non-profit staff, to provide essential support to B.C.'s most underserved individuals. We value our team's commitment to client-centered care and their efforts to meet clients where they are, ensuring they receive both financial assistance and help navigating complex social services.

Community Integration Specialists, in partnership with the Dze L K'Ant Friendship Centre Society, work in the community 80-85% of their scheduled work week using in-reach and outreach approaches to connect individuals with services. You'll play a vital role in supporting individuals to navigate government systems and access necessary services. Your responsibilities will include intensive case management, expedite intakes, and outreach support. This role is crucial in lowering barriers for those experiencing homelessness, mental illness, trauma, and addiction, fostering community integration and independence. By building meaningful relationships with diverse partners, you'll make a tangible difference in the lives of those you serve.

**Qualifications for this role include:**

- Secondary school graduation and three (3) years' related experience\*; OR
- Evergreen Certificate and four (4) years' related experience\*; OR
- An equivalent combination of education and experience may be considered

\*Related experience must include at least two (2) of the following and can be gained in either a community/volunteer or employment/customer service capacity:

- Providing services to Indigenous people who are living in poverty and may be experiencing homelessness
- Providing services to Indigenous people who are experiencing mental health and/or substance use challenges
- Providing services to people with disabilities
- Experience delivering services to/supporting Indigenous people
