Glossary of Terms

Classification (Found on Schedules A1, A4, B1, and C1) - The job title of an individual.

Termination (Found on Schedules A2, B1, C1, E1- E5) - For the purposes of this report, a termination can be voluntary or involuntary. Ie. one employee retired, and one was let go with cause- both employees were terminated.

Standard Hours per Year (Found on Schedules A1, A4, B1)- The hours an employee would have worked if they worked 52 weeks in a year without taking any time off whatsoever. This time off also includes coming starting shifts later, or taking appointments during the work week (re-work).

Hours at Straight Time (Found on Schedules A1, A4, B1, C1) - The exact hours an employee did work in the year- you will find this information on Time Sheets.

FTE (Full Time Equivalent) - A full time equivalent is what we call when multiple employees work separate hours at a full time equivalent. Ie. Jerry was hired for 2 days a week with an 8 hour shift, where Anna was hired for 3 at an 8 hour shift. This makes up one Full Time Equivalent (FTE).

Backfill (Found on Schedules A2, A4, B1, C1) - Backfill is defined as hours worked by another employee to cover for an employee that was unable to work their scheduled hours. If you do not track backfill please indicate this in an email when you send in your report to research@cssea.bc.ca.

Regular Employee (Found on Schedules A1, A4, B1, C1, D1)- For the purposes of this report a "Regular" employee is an employee who is scheduled for regular shifts. This includes both full-time and part-time employees. The individuals hours may for example be from Monday to Wednesday in a part time position, or Monday to Friday in a full time position. Their hours may also change throughout the year, however if they are scheduled on a regular set schedule of days and hours, for the purposes of this report the employee is considered a "Regular" employee.

Casual Employee (Found on Schedules A1, A4, B1, D1) - For the purposes of this report a casual employee is an individual who is on call. These employees do not have regular hours scheduled and are instead called in for occasional shifts.

Provincially Funded (Found on Home and Schedules A1-5, B1, B2, C1, C2, D1) - Agencies who are funded for the purposes of this report through provincial sources. This includes the Crown Corporations, BC Health Authorities and BC Provincial Ministries.

Non-Provincially Funded (Found on Home and Schedules A1-5, A2, B1, C1, D1) - Agencies who are funded for the purposes of this report through Non-Provincial sources. This includes any funding source that falls under the "Others" header on the Home Schedule.

Active (Found on A1-5, B1, B2, C1, C2) - An employee who was actively working at the agency as of December 31st 2022.

LTD - (Found on A2, A4, B1, C1) (The employee is on Long Term Disability as of December 31st 2022, not if they are covered by it.

WCB – (Found on A2, A4, B1, C1) The employee is on Worker's Compensation Board as of December 31st 2022, not if they are covered by it.

Average Annual Salary - The average annual salary an individual would make if they worked full time for the entire year.

Introduction

The purpose of this user guide is to assist CSSEA Members to complete the **2023 Compensation and Employee Turnover Report**. The report collects data in the reporting period from **January 1**, **2022 to December 31, 2022** (i.e., calendar year 2022). In the event that your agency needs to report by fiscal year, please contact CSSEA at research@cssea.bc.ca for support on reporting in this fashion.

The report data will be used to report the total compensation cost of the sector to the Public Sector Employers' Council Secretariat (PSEC), and support the implementation of the 2022-2025 Collective Agreements.

Data collected in the report will also be used to produce the following reports and publications for CSSEA Members:

- 2023 Employee Turnover Report
- 2023 Employee turnover Report by Classification
- 2023 Agency Specific Employee Turnover Report
- 2023 Executive Director/CEO Salary Report
- 2023 Management & Excluded Salary Report

- 2023 Non-Union Salary Report
- 2023 HR Metrics Report
- 2023 Agency Specific HR Metrics Report
- 2023 CSSEA Fact Book
- Other comparative reports available in print or online through the Social Services Workforce Information System (WFIS)

Two conventions you will see throughout the report are "Provincially Funded" and "Non-Provincially Funded". The Crown Corporations, BC Health Authorities and BC Provincial ministires are all considered "Provincially funded" for the purposes of this report. At the very bottom of the Home Schedule you will find the "others" heading - all funding that is captured under "others" is considered non-provincially funded.

NOTE: The "Others" category at the very bottom of the home schedule under the "Others" heading is where you will report any other funding is not listed on the Home Schedule.

Total funding will be computed automatically. Please verify that this number is correct with another source of information, if available.

PROVINCIALLY FUNDED

Crown Corporations, BC Health Authorities and BC Provincial Ministries and BC Gaming Grant.

NOTE:

Please see dropdown boxes in the following blue cells, if your agency has a different payroll/ vendor system or your agency manages it's own payroll you can simply write "in-house" in the blue cell. This dropdown/manual option will be the same for both the Group Benefit Provider and Pension and Retirement plan.

On Schedule Q1, please provide the following information:

A - Does your agency recognize Portability? If so, please enter how many employees have been credited with portable benefits between January 1st, 2022 and December 31st, 2022?

- **B** Do you provide a Short Term Illness and Injury Plan by employee group? Please answer **yes** or **no** in the blue cells.
- C Does your agency provide superior benefits? Please answer yes or no in the blue cells.

A - Portability

When regular employees move directly from another CSSEA-member employer, does your agency recognize her service with her previous employer and hours worked in the same or similar classification, for the purpose of vacation entitlement and to determine the appropriate increment step? (Refer to Memorandum of Agreement (MOA) - Social Services Sector Retention and Portability Clause.)

If the answer is yes, how many eligible employees have been credited with portable benefits between January 1 and December 31, 2022?

B - Short Term Illness and Injury Plan

Does your agency have a STIIP (Short Term Illness and Injury Plan) for each employee group?

Schedule A1: Bargaining Unit - Classification and Hours Part 1

In **Schedule A1**, please provide the following information for all **regular** and **casual** bargaining unit positions in your agency. Please see the corresponding letters below for instructions for how to fill out this schedule:

- A Position Type
- **B** Classification
- C Indicate Regular FT/PT or Casual/Additional Hours
- D Standard Hours Per Year
- E Total Hours Paid at Straight Time Pay Rate

A - Position Type

Select from the drop-down list:

Benchmark – the job falls under a JJEP classification and is paid at the set grid level (see the "Effective Grid Level" column for reference).
Integrated – the job is a combination of 2 or more benchmarks and paid at the highest grid level.
If "Integrated" is selected, ensure that at least 2 classifications, including the one with the highest wage rate are reported.
Layered-Over – the job has supervisory functions and is paid at a higher grid level than benchmark.
Unique – the job does not fall under a JJEP classification and/or is not paid at the set grid level.

B - Classification

Select from the drop-down list one of the benchmark classifications that were identified to be the most common jobs in the sector (see the "Job Families" tab in the survey for reference). If the position does not fit a benchmark, please select the "Unique" position type, enter the unique position title and identify its grid level.

C - Regular (FT/PT) or Casual/Additional Hours

Select from the drop-down list: Regular – hours worked by either regular full-time or regular part-time employees. Casual/add'I hours – hours worked by casual employees, or additional hours worked by regular part-time employees.

D - Standard Hours Per Year

Select from the drop-down list the number of straight-time paid hours if the position were full-time. Exclude overtime hours. Positions in the same classification but with different standard hours should be reported in separate rows.

E - Total Hours Paid at Straight Time Pay Rate

Total hours paid covers all hours worked at straight time pay rate and all hours for time off, including statutory holidays worked and non-worked, vacation time taken, sick time used, and all other paid leaves covered in the collective agreement.

Please report the Weighted Average Hourly Pay for:

Any non-provincially funded hours (cell will turn red).

Any provincially-funded hours worked at above the Step 4 wage rate (cell will turn red).

Agencies completing the survey do it one of two ways – by individual employee by classification or by group of employees by classification. Agencies with less than 20 employees in total find it is easier to complete the survey by individual employee by classification while agencies with greater than 20 employees find it more efficient to complete the survey by groups of employees by classification.

Here is an example of how you would fill out the survey by classification for 5 Regular Activity Workers, 1 of which was terminated in 2022, each having different rates of pay, with some workers funded provincially and some funded by other sources.

Step 1. On Schedule A1 select the Position Type for each Classification. In this example we select Benchmark position. In the first column select

Benchmark from the drop-down. We now select **Activity Worker** from the **Classification drop-down**. Then we select whether or not the employees were full time/part-time or casual/additional hours. For this example we will assume that all of the employees are Regular Full-Time. When tallying

Casual/Additional hours for a classification you would do so on a separate line.

We now select the Standard Hours per year. Assuming that the employees work a **37.5 hour work week** with **260 working days in the year** we will select **1950** from the Standard Hours per Year drop-down. The spreadsheet should now look like the figure below:

Position Type		Classification (For Unique positions, if none of the benchmark classifications in the drop-down menu applies, please type in the position title in "Classification 1" and then select the associated Grid Level.)											
	Classification/ Classification 1 (Integrated BU only)	1	Classification 2 (Integrated BU only)	Effective Grid Level	(FT/PT) or Casual/ additional hours	Standard Hours per Year							
	-						Subtotals:						
Benchmark	Activity Worker	8			8	Regular	1950						

NOTE: For Delegated positions the process is identical, however you fill the information in on Schedule A4.

Step 2. Enter the provincially funded employees first. Assume we have 4 provincially funded activity workers, each of which works at a different **'Step'**. **Steps are defined by the number of hours the worker has worked since the beginning of their employment with your agency.** Or, if your agency recognizes hours previously worked at another CSSEA-member agency then the step is determined by the total hours worked in the same or a similar classification. If you are unsure as to what Step an employee belongs to you can consult the 'Wage Grid' tab in the survey.

Our four provincially funded employees each worked the following hours: Employee 1: 750 hours at Step 1 (assume they were part-time or a new hire in 2022) Employee 2: 1950 hours at Step 2 Employee 3: 1950 hours at Step 2 Employee 4: 1950 hours at Step 3

We then enter these values into the respective fields.

For our non-provincially funded employee lets assume they worked **1950** hours at a rate of **\$16.50** an hour.

The survey should now look like the figure below:

	Classification					I	1	Total Hours	Paid at Stra	ight Time Pay	Rate					
Position Type	(For Unique positions, if none of the type in the position title in "Classi	, please	Regular (FT/PT)		(Include both worked and non-worked hours; exclude overtime hours.) Between January 1, 2022 and December 31, 2022

2 x 1950=3900

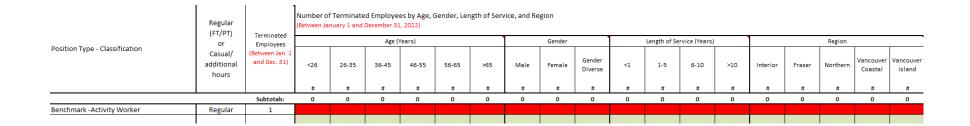

Step 3. We now need to fill in the **Active** and **Termination** data for the employees in this classification. Click on Schedule A2. **This will copy the classification from Schedule A1 as shown below:**

Position Type	Classification	Regular (FT/PT)		Number of I (For employed only as Provi	es who are fur	nded through		al and non-pro	vincial sourc	es, count	Vacancy, Termination, and New Hires				Backfill (Between Jan. 1 and Dec. 31)

	Sub			Subtotals:	0	0	0	0	0	0	0	0	0	0	0	8550.0	
Benchmark	Activity Worker Regular 195		1950												8550.0		

Enter the number of employees for each classification by **provincially funded or non-provincially funded** with breakdown for **active**, **on leave**, or **terminated** provincially funded employees at the end of the year. In this example we will input **1 non-provincially funded active employee**, **3 provincially funded active employees, and 1 terminated employee and 1 new hire**. For employees on leave enter the number of employees and the appropriate type of leave. **The report will now look like the figure below:**

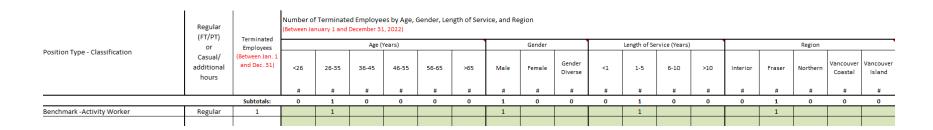

Position Type	Classification		Regular (FT/PT)		(For employe	Number of Employees as of December 31, 2022 (For employees who are funded through both provincial and non-provincial sources, count only as Provincially Funded.)						Va	cancy, Terminat	res	Backfill (Between Jan. 1 and Dec. 31)

Benchmark	Activity Worker		Regular	1950	3	1	1					1	1	1		8550.0	

Step 4. Fill in the **demographic information** for the 1 employee that was terminated in 2022. Click on Schedule E2, and you will see the following in the report:

The cells above are red because we have not entered the demographic information for the terminated employee. **The subtotal is brought in from terminations reported on Schedule A1**. If you have multiple terminated employees in a classification you can now enter their demographic information in these cells. Once the number of employees in each demographic characteristic is equal to the subtotal of terminated employees in the classification the cells will turn green to show that all the figures are in order.

For this example, assume that the terminated employee was 27 years old, male, had worked for 3 years and was working in the Fraser region. Enter the number '1' in the appropriate cell to reflect this. The report should now look like the image below:

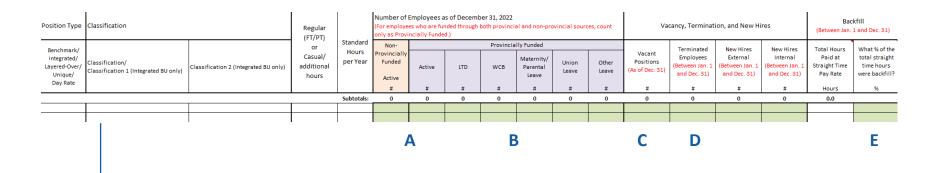

That's it! You have successfully completed this classification! Repeat the process for each classification in your agency and you will have finished the biggest part of the report.

A2: Bargaining Unit - Employee Count

In **Schedule A2**, please provide the following information for all regular and casual bargaining unit positions in your agency that you have identified in **Schedule A1**, as of **Dec. 31, 2022**:

- A Number of active non-provincially funded and provincially funded employees
- B Number of provincially funded employees on leave of absence
- C Number of vacant positions unfilled as of Dec. 31, 2022
- D Number of employees terminated between Jan. 1 and Dec. 31, 2022
- E Number of paid straight time hour used for backfill between Jan. 1 and Dec. 31, 2022

For employees who are funded through both provincial and non-provincial sources: Count only once, as provincially funded.

This white-shaded section will be automatically filled in with the information you entered in Schedule A1.

A3: Bargaining Unit - Demographics

In **Schedule A3**, please provide the following information for all active, regular and casual, provincially funded bargaining unit employees that you have reported in Schedule A2, as of **December 31, 2022**:
